

Jan. 28, 1928.

Mrs. A. M. Harryman,
3608 Pershing Drive,
El Paso, Texas.

My dear Cousin Mary:

I have yours of January 23rd. I have again sent you two pairs of bloomers, and this time addressed to 3608 Pershing Drive, same going forward insured. The post office tracer for the other package that I sent you has been returned, and the package was delivered at your old address. Evidently the people living there kept them.

Give my regards to Dr. Wasson and his family.

We are all well, but having some very cold weather and a great deal of "flu" in this section. As I have a lot of work before me, will ask you to pardon this short note.

With sincere regards and good wishes, I beg to remain

Cordially yours,

JCC:S
